

## GWG Holdings, Inc. To Present At Three Upcoming Investor Conferences

May 26, 2015

MINNEAPOLIS, May 26, 2015 /PRNewswire/ -- GWG Holdings, Inc. (NASDAQ: GWGH) ("GWG"), a specialty finance company and leader in the life insurance secondary market, is pleased to announce GWG's participation at the SeeThruEquity Microcap Investor Conference, Marcum Microcap Conference, and LD Micro Invitational from May 28 through June 2.

GWG's CEO Jon Sabes, President Michael Freedman, and CFO Bill Acheson will be presenting at each of these conferences on the company's recent growth and its strategy for expansion over the next several years. GWG will be presenting to senior management, finance and legal executives, venture and lower middle-market private equity investors, institutional investors, directors, investment bankers, buy- and sell-side analysts, and service providers to the microcap marketplace.

GWG, founded in 2006, finances the purchase of a portfolio of policies primarily through a fixed income alternative investment product offered through a growing network of independent broker-dealers and registered investment advisors. GWG generates financial returns for investors and shareholders while providing valuable post-retirement financial solutions to seniors through the secondary market for life insurance.

The following are the scheduled presentations for the GWG Executive Team at these upcoming conferences:

The GWG presentations for each conference will be available via the live webcast links above. The presentations will be available at [gwglife.com](http://gwglife.com).

### About GWG Holdings, Inc.

GWG Holdings, Inc. (NASDAQ: [GWGH](#)) is a specialty finance company and leader in the life insurance secondary market. GWG, through its subsidiaries, purchases life insurance policies from seniors who no longer want, need or can afford their policies. Since 2006, GWG has purchased more than \$1.7 billion in life insurance policy benefits and paid seniors over \$283 million for their policies – approximately \$266 million more than the surrender or lapse value offered by insurance carriers. GWG's strategy is to originate and manage a diverse portfolio life insurance policies that generate yields that exceed the costs to finance the policies (in aggregate). GWG finances the purchase and maintenance of a portfolio of policies primarily through a fixed income alternative investment product that is offered through independent broker-dealers and registered investment advisors nationwide. GWG's goal is to generate financial returns for GWG's investors and shareholders while providing valuable post-retirement financial solutions to seniors.
